CAREER PROFILE

Aspiring professional in the tech industry with a strong foundation in software development, system analysis, and technical problem-solving.

- ❖ Basic knowledge and hands-on experience in various aspects of software engineering, including web and mobile development, database management, and version control.
- ❖ Passionate about learning and applying emerging technologies such as AI, DevOps, and automation to create efficient and scalable solutions.
- ❖ Capable of contributing independently or collaboratively in developing, and deploying software solutions by analyzing requirements, planning architecture, and executing development strategies to meet business or client needs.

CAREER HIGHLIGHTS

- ① **Collaborated on the development of a large, centralized system for schools**, contributing to backend logic, system optimization, and feature implementation.
- ② **Worked on mobile development for a sorting company**, assisting in building key features to improve operational efficiency.
- ③ **Tested and evaluated multiple applications for quality assurance**, ensuring functionality, performance, and user experience meet industry standards.
- ④ **Worked with cross-functional teams**, gaining experience in software development life cycles, debugging, and testing.

WORK EXPERIENCE

ETR Total Business Solutions – Mobile Developer Intern (Aug. 2024 – Nov. 2024)

- ① Assisted in the development of mobile applications, contributing to UI implementation and backend integration.
- ② Conducted debugging and troubleshooting to resolve application issues and improve functionality.
- ③ Participated in testing and quality assurance processes to ensure seamless user experience.

VCT Network and Data Solution – Software Developer Intern (Aug. 2023 – Nov. 2023)

- ① Developed responsive and user-friendly web applications using HTML, CSS, JavaScript, and ASP.NET.
- ② Collaborated with developers to troubleshoot and resolve technical issues.
- ③ Ensured the quality of software solutions by meeting client requirements and enhancing user experience

EDUCATION

2021-2025	Polytechnic University of the Philippines – Paranaque Campus; Bachelor of Science in Computer Engineering
2016-2021	Bula National High School
2010-2016	Ombao Heights Elementary School

EXTRACURRICULARS

① **Students of Computer Engineering with Natural Excellence SCENE** –
Committee Member (2023-2024) | Public Relations Officer (2024-2025)

Accomplishments and responsibilities include:

- ❖ *Database Committee*– Managed and maintained the organization's member database, ensuring accurate record-keeping and data integrity.
